

WATER SYSTEMS LLC

LIMITED WARRANTY

WARRANTY

PHOTONIC Water Systems, LLC (PWS) warrants that your product will be free from defects in materials, workmanship, shipping, or installation for a period of one (1) year from the date of installation, provided that the unit is installed within 30 days of receipt.

If your PWS device is not installed within 30 days after delivery, then the one year period will be calculated from the purchase date.

If you discover a defect in a product covered by this warranty, we will provide full replacement. This warranty covers defects in manufacturing, damage or breakage may have occurred in transit, as well as damage incurred during installation, whether installed by the buyer, handyman, or plumbing contractor (need not be certified).

Normal precautions should be taken to take appropriate protective measures to shield your PHOTONIC Water Systems device from extremes in operating or environmental temperatures or pressure.

EXCLUSIONS

The warranty does not cover loss or theft, or consequences of operation at extreme temperatures or in environments deemed outside of material specifications -- <32° F (0° C) and > 140° F (60° C) -- Maximum operating pressure, calculated at 73° F (22.8° C) is 166 PSI, and 33.2 PSI at 140° F (60° C).

LIMITS OF LIABILITY

Should the product fail, PWS will provide a replacement, as described in the preceding paragraphs, provide that buyer sends the damaged or defective unit back to PWS.

PHOTONIC Water Systems LLC will not be held liable to you or any other party for any damages resulting from the failure of this product, from improper installation, or operation.

In no event will PWS be liable for more than the amount of your purchase price, excluding tax, shipping and handling charges.

PWS disclaims any other warranties, express or implied. By installing and using the product, the buyer accepts all terms described herein.
